Admission Status

13. Choose one of the following:

- [] This will be my first time going to college [] I am new to Northern, but I've attended another college before

I am returning to Northern after an absence of one or more semesters

14. **Matriculation** to Northern in certificate or degree-seeking status requires that you demonstrate that you have met the minimum requirement for admission by a) having earned a regular high school diploma or having earned a General Education Development (GED) diploma, or b) demonstrating that you have attended another post-secondary institution (to which you are eligible to return, or by c) demonstrating that you have the Ability to Benefit from college without having met either of the first two possible means of matriculation.

In support of these requirements, please respond fully to the following questions:

a. Eligibility based on completion of secondary education

Provide the name of the high school at which you earned your secondary diploma? _____

Location of High school **or** GED test center: _____
City State

When did you graduate? _____ / _____
Month Year

If you claim eligibility for admission on the basis of a high school or GED diploma, you must provide the Office of Admissions and Records with a photocopy of your diploma; in lieu of a diploma, you may have your high school or GED center furnish an official transcript showing graduation. Until proper documentation is received, your status will be provisional. Note: to claim eligibility as a graduate of a home school program in New Mexico, you must be at least 16 years of age.

b. Eligibility based on completion of courses at other post-secondary institutions

For those of you who have already attended post-secondary institutions of higher education, we require that you list **all** colleges/universities/other post-secondary schools attended. If you seek a degree, a certificate, ALP completion, or teaching endorsement courses at Northern, you must have **each** college listed furnish an official transcript to Northern's Office of Admissions. Since you have already attended college, you will not need to supply proof of high school completion. You will not have completed the matriculation process until **all** known transcripts have been received. If you have already earned any degree you must list it and the month/year in which it was completed.

Name of College	City	State	Periods of Attendance	Year & Degree
_____	_____	_____	_____ to _____	_____ _____
_____	_____	_____	_____ to _____	_____ _____
_____	_____	_____	_____ to _____	_____ _____

If you need more space than is provided, attach an extra sheet.

c. Eligibility based on Ability to Benefit to achieve matriculation

If you do not qualify under either of the normal routes to achieve matriculation (above), you may qualify for matriculation by demonstrating your "Ability to Benefit" by 1) being at least 18 years old; and 2) not having graduated from high school and not having completed a GED diploma; and 3) by achieving acceptable scores on Northern's approved test. To apply under this route, please check this block and you will be routed to the proper department for the appropriate test.

If you cannot or do not wish to meet the requirements for matriculated status, you may apply for admission in Non-Degree status. For this status, you need only complete this application. You will not need to furnish any supporting information.

15. Are you eligible to return to the last college you attended? Yes No Not applicable
If **No**, indicate reason: Academic Suspension Disciplinary suspension Outstanding Debt

Residency information

16. Are you a New Mexico resident who has lived in New Mexico for the past 12 *consecutive* months? Yes No
If **No**, please clarify (use an additional sheet if necessary); vacations spent away from New Mexico count in the twelve months.

Tuition Waivers for Non-New Mexico Residents

17. If you are applying for a tuition waiver under **Colorado Reciprocity** (initial here _____) or **WICHE** (initial here _____). By initialing one of these choices, you are certifying that you are not relinquishing residency in your home state (item #7 above). At no time while you are enjoying such a tuition waiver may you take any official action which would negate this status (e.g., registering to vote in New Mexico, acquiring a New Mexico driver's license or vehicle registration, etc.).

For either waiver, you must matriculate for a specific major and enroll for no less than 15 credit hours each fall and spring term. You are not eligible to claim New Mexico residency until 12 months have passed after stopping the use of one of these waivers.

Tuition Waivers for Military and Native American applicants (whose legal residence is outside of New Mexico)

18. If you are applying for a tuition waiver as a Native American (initial here _____) or active military (initial here _____). To verify your eligibility, please attach appropriate documentation with your application (e.g., statement of tribal affiliation, military orders, etc.).
